

B12 Corporate Wellness Package for Staff - Information & Booking Form

Introduction to B12 Corporate Wellness

At **Skinicle Aesthetics**, we offer a tailored **B12 injection service** designed to boost energy, improve focus, and enhance overall well-being for your team. Our **B12 Corporate Wellness Package** is the perfect solution for companies looking to support their employees' health and productivity, whether for a one-off **Staff Wellness Day** or as an ongoing initiative.

Benefits of B12 Injections for Employees

- **Increased Energy:** Reduces fatigue and boosts stamina throughout the day.
- **Improved Focus & Mental Clarity:** Helps employees stay sharp, improving productivity and concentration.
- **Enhanced Mood & Wellness:** Promotes a positive mood and supports immune function.
- **Better Performance:** Increased motivation and reduced stress, helping to maintain peak performance levels.

How It Works

1. **On-Site Service:** We come to your workplace and administer **B12 injections** directly to your staff in a convenient, professional, and private setting.
2. **Booking and Scheduling:** We work with you to schedule the sessions at times that are most convenient for your team.
3. **Tailored Experience:** Each employee receives a personalized consultation to ensure the best treatment for their needs.

Package Details

- **Single Session:** One-on-one B12 injection for each staff member.
- **Bundle Options:** 4 sessions, spaced one week apart for maximum benefit (recommended).
- **Duration:** Each session takes approximately 10-15 minutes per person.
- **Cost:** Pricing varies depending on the number of employees and frequency of sessions. Please refer to the pricing structure on the next page.
